Important information about Ontario's new optional affordable rental housing subclass

The Ontario government introduced an optional property subclass for affordable rental housing units, effective for the 2026 property tax year.

The optional subclass may apply to eligible multi-residential units that meet the following criteria:

- be a housing unit in a property that has seven or more self-contained residential units;
- be subject to an agreement requiring the provision of affordable rental housing or required by regulation or statute to provide affordable rental housing;
- be either an existing or newly built self-contained residential unit; and,
- meet the requirements of the affordable rental unit in the *Development Charges Act, 1997*:
 - rents are average or lesser than what is identified by the Minister of Municipal Affairs and Housing, and
 - the tenant is acting independently of the landlord.

To learn more, visit mpac.ca/affordablerentalhousing.

For property owners who submit requested information through B2B, and may be eligible for the affordable rental housing subclass, please contact MPAC at air@mpac.ca for next steps.

Understanding the Assessment Act

MPAC is an independent, not-for-profit corporation funded by all Ontario municipalities. Our role is to accurately assess and classify all properties in Ontario in compliance with the *Assessment Act* and regulations set by the Government of Ontario.

MPAC is authorized under Section 11 of the Act to request and collect information for property assessment purposes. Section 13 of the Act provides penalties for failing to provide the requested information and for providing false information.

If the information requested is not provided and you choose to appeal your assessed value to the Assessment Review Board, Section 40(18) of the Act provides that the burden of proof will shift from MPAC to you.

Protecting your information

MPAC is committed to protecting your information and is prohibited from the unauthorized disclosure of your information under the *Assessment Act* and the *Municipal Freedom of Information and Protection of Privacy Act*. MPAC will collect and use information necessary to deliver legally authorized programs and services. Occasionally, MPAC may use your contact information to obtain feedback, conduct surveys and enhance program delivery.
